## COUNCIL MEETING.

Trap Rock to Be Bought—Resolution to Raise Policemen's Pay Tabled for a Week.

The city council held its regular monthly meeting Monday evening. Mayor Dunn and all the aldermen were present, and Corporation Counsel P. J. Kelley entered upon the duties of his office at this session.

Routine bills, the police report for January and requisitions for supplies for the street and fire departments were referred to the purchasing committee with power. The petition of E. G. Lewis and others to have the water service extended to the Lebanon avenue extension was not granted because of the necessity of adjusting some local rights of the city council. The resolution ordering the purchase of 20 carloads of trap rock for use on the city streets was passed, and the purchase of a \$25 per acre photograph for the city clerk's office was ordered. A resolution was passed authorizing the appointment of a city engineer to make surveys, maps, etc., under direction of the city council, and remuneration to be for work actually done.

done and to be fixed by the board of aldermen.

It was voted to place a fire alarm box at the corner of Lewiston avenue and North street.

One of the most important matters to come before the meeting was the proposition to raise the salaries of all the officers of the police force. The resolution was tabled for one week to give the corporation counsel an opportunity to give a written opinion concerning the legality of the measure after the fiscal year had passed, next week Monday evening, to which time the board adjourned. The favorable sentiment of the mayor and aldermen concerning the police officers' request for a salary increase was undoubtedly a result in a vote to raise Chief Richmond's salary to \$1,100 a year, and the patrolmen will each be voted \$2.75 per day instead of 2.62-1/2, as they receive now.

The other important business transacted related to cutting and harvesting wheat at the pumping station at the water works. It has been the custom for some years for Dr. E. O. Sumner to allow the harvesting of wheat from the reservoir. It was found he had no legal right to the privilege and his action was not binding on the city. The council voted that no one should be allowed this privilege except under the order and supervision of the city council. The board voted to order the local rights of the city council to be immediately cut and harvested, and voted to appropriate \$1,000 for the erection of a shed for storing the wheat. The purpose of this action is to place the city in a position to supply ice to Willimantic consumers at a much less price than is charged by local retail dealers. Willimantic is the only city in the state that has the charter right to furnish ice to its inhabitants, and the officials express the opinion this action will cut the retail price of ice in two.

**GOLD DUST**  
makes dish-washing easy

The use of a little Gold Dust in your dish-water will make your dishes brighter, sweeter and cleaner than they ever can be without it. Unlike soap, Gold Dust does more than clean the surface. It goes deep after germs and hidden food particles and sterilizes everything it touches.

Gold Dust does all the hard part of the work without your assistance, because it begins to dissolve and clean the moment it touches the water.

When you have to wash dishes 1095 times a year, the Gold Dust method of saving half your time and half your labor means something.

Gold Dust is sold in 50 size and large packages. The large package means greater economy.

**Holiday for Schools.**  
Tomorrow (Wednesday) Lincoln's birthday is observed in the public schools throughout the town of Killingly.

**Patriotic Service.**  
Rev. W. D. Swaffield has made arrangements for a special patriotic service at the Baptist church for next Sunday evening, this in commemoration of the natal anniversaries of Lincoln and Washington. Invitations are to be extended to the patriotic societies of Danielson, the G. A. R., W. R. C. and S. V., to attend in a body. The special musical programme will include the singing of patriotic songs.

**Eight Hour Day for Clerks.**  
Postmaster C. A. Potter has received from First Assistant Postmaster General C. P. Greenfield an order directing that the clerks in the local post-office go on the eight hour per day basis of work in this office on and after March 1, in compliance with the terms of recently enacted legislation. Under a provision in the law making exceptions for certain classes of offices in which the Danielson office is included, the clerks will take advantage of their option here and work the eight hour day basis. The arrangement no extra clerks will be required here, and the clerks will get a little more money each week.

## GRANGE INSTALLATION.

Many Visitors from Neighboring Towns Witness Exercises.

National Overseer Leonard H. Freely of the Grange at North Woodstock installed the officers of Killingly Grange in Grange hall here Monday evening. Among those who witnessed the installation were guests that the members were privileged to invite, and they were very well pleased with the work done. Visitors were present from Brooklyn and from other Grange centers.

Acting for the retiring master, Mrs. E. P. Warren, Sheriff Preston B. Sibbey addressed the gathering, the response being by the incoming master, Frank J. G. Bailey. During the evening remarks by various speakers were made by past masters and other prominent workers in the order.

The officers of the Grange are as follows: Master, Frank J. G. Bailey; over-seer, Ray W. Pellett; lecturer, C. E. Ells; steward, Simon Danielson; assistant steward, Harry H. Chapman; Mrs. George J. Eaton; treasurer, Mrs. Arthur W. Logee; secretary, Miss Mary Pellett; grain dealer, Mr. Wood; Ceres, Blanche Warren; Pomona, Miss Mae Withers; Flora, Mrs. Chester W. Hutchins; lady assistant steward, Miss Bertha Graves.

**Prize for High School Pupils' Essays.**  
The pupils at Killingly High school are interested in the announcement that the Connecticut Peace society offers three prizes of \$25, \$15 and \$10, respectively, for the first, second and third best essays upon the subject: Is it right or desirable for the United States to continue its policy of huge expenditures for naval armament?

The essays are not to contain more than one thousand words, and are to be completed before May 20. This seems to be a year for prize essay contests for the High school pupils. The Ladies Art club has offered a prize of \$5 for the best essay by a pupil of Killingly High school written on the subject: The History of Civil Service Reform; or the Woman's Christian Temperance union has offered a prize of \$5 for the best paper written upon any one of the several temperance topics that it has submitted to the contest.

Prizes of \$20, \$10 and \$5 for the best essay written upon a colonial subject.

**Directory for Town.**  
Agents representing a Providence publishing concern are at work in this section securing the data necessary to the compilation and publication of the directory of the town of Killingly. The book is to contain the name of every person in all the villages of the town, persons listed, however, to be at least 15 years of age. The book will include a list of business houses and other valuable information. No such directory has been gotten out here in years.

**Pupils' Sleighing Parties.**  
Each of the four classes in Killingly High school has taken advantage of the good sleighing and enjoys sleigh rides. The seniors went to Moccup, the sophomores to Plainfield, and the juniors and the freshmen to Putnam.

**Favor Pension Bill.**  
Teachers in the schools of Killingly are very much interested in and strongly in favor of the bill providing for teachers' pensions that has been introduced in the legislature. Copies of the proposed bill have been received by the teachers' union in Putnam and vicinity Monday morning.

**OBITUARY.**  
**S. Storrs Cotton.**

S. Storrs Cotton, who died in Nebraska, January 19, was until 1881 a resident of Connecticut. He was born in the neighboring town of Pomfret, Oct. 7, 1822. He occupied positions of trust and responsibility in the town and in the state. He was a member of the state senate and in 1874 and in 1877 was a member of the board of directors in 1872 and again in 1878. He was a member of the board of prison directors in 1872 and again in 1878. He was a member of the board of prison directors in 1872 and again in 1878. **To Play Plainfield.**  
The basketball team representing Plainfield high school is to be in Putnam Friday evening for a game with the local team, which has made a good showing all through the season.

**Hospital Appreciated.**  
That the Day Kimball hospital is a great convenience and a great service to various surrounding towns is indicated by the number of patients received from the vicinity outside of Putnam during the last fiscal year. That this service of an ably conducted institution is appreciated is indicated by the donations of supplies and money from out of town people.

Six physicians are now doing the work of visiting at the hospital, each of the six being assigned for two months' attendance during each year. This number is a decrease from the number that did the work under the old arrangement.
